Notice Regarding CDD Meeting Policy for Deaf Interpreter Services

It has been brought to the attention of District Management that at the Heritage Landing CDD morning meetings there has been very little demand for services of an interpreter. Due to this the Board and District Management has decided to schedule an interpreter for all night meetings and any budget public hearings. If there is still a desire to have an interpreter at any morning meeting then please contact Dan Fagan, Amenity Director, at the Camp Heritage Amenity Center at least two weeks prior to the date of the meeting the service is needed.

We appreciate your cooperation and your interest in the Heritage Landing Community Development District.
