

Melissa,

Heritage Landing Community Development District Audited Financial Statements for the year ended September 30, 2022.

Presentation of the audited financial statements to the BOS:

The financial statements of the District are required to be audited pursuant to the requirements outlined in Florida Statutes Chapter 218. The Audited financial statements should be evaluated based on several items: The Auditor's Report, the financial statements and the notes to the financial statements, the Report on Internal Control and the Management Letter.

Auditor's Opinion -

An unqualified opinion is the Auditor's opinion of the financial statements, given without any reservations. Such an opinion basically states that the auditor feels the District followed all accounting rules appropriately and that the financial reports are an accurate representation of the District's financial condition.

Is the Auditor's opinion unqualified for this district YES NO (Circle one.)

See pages 1-3 of audit report.

Financial Statements and the Notes to the Financial Statements -

The financial statements themselves are presented in accordance with generally accepted accounting principles and include the notes to the financial statements. The phrase "see notes to the financial statements" (or similar wording) is a phrase you will see at the bottom of the financial statements. This means that reading the notes in conjunction with the financial statements will provide a more complete picture of the District's financial position and the results of its operations. The notes serve to explain, clarify, and expand upon the figures presented in the financial statements, and provide some additional information as well.

Report on Internal Control -

Report on Internal Control over financial reporting and other matters based on an audit of financial statements performed in accordance with Government Auditing Standards. The auditor includes this report to specifically identify any internal control deficiencies or instances of noncompliance with laws, regulations and contracts.

Instances or adverse findings reported for this district YES NO (Circle one.) If yes, see further explanation below.

See pages 29-30

Management Letter -

The Management Letter is issued pursuant to the rules of the Auditor General of the State of Florida. This report is issued by the auditors to present any findings or recommendations the auditors may have as well as the status of any findings that may have been identified in the prior year. This report also identifies compliance with the provisions of the Auditor General of the State of Florida.
