All pricing in accordance with Omnia Partners / U.S. Communities Contract #2017001134.
All terms in the Omnia Partners / U.S. Communities Contract take precedence over terms shown below.
For more information on the Omnia Partners / U.S. Communities contract please visit Omnia Partners Public Sector GameTime

Signed/Sealed Drawings may be included when expressly stated on proposal.
Permits and permitting services may be included when expressly stated on the proposal. Unless specifically noted, permit fees, third-party reviews, inspections, bonds, and jurisdictional requirements are not included. The owner is responsible for providing **current and accurate site plans, surveys, and required property information** as needed by the permitting authority. **The permit process cannot begin until all required information is received from the owner.** Permitting timelines vary by jurisdiction and are **outside of our control**. Delays related to permitting, reviews, or approvals are not considered manufacturing or installation delays. Additional requirements arising during the permitting process, including but not limited to engineering revisions, soil testing, or jurisdictional comments, shall be treated as a **change in scope**.

GameTime requires a minimum deposit of 100% ($123,229.89) upon placing an order.

QUOTE

107133-01-07 • 11/03/2026

Installation Terms: Installation, when included, is performed by an **independent, certified installer** and is based on **standard installation conditions**. Installation assumes suitable soil, normal excavation conditions, proper sub-base, and unrestricted site access.The following are **excluded unless expressly stated**: drainage design or correction; soil remediation or import/export; rock, roots, debris, or concealed conditions; dewatering; erosion control; sod replacement; landscaping; irrigation repair; and site restoration.If unsuitable soil, drainage issues, high water table, or concealed conditions are encountered, **additional costs may apply**. The owner is responsible for site readiness, utility marking, site access, and protection of the work area before, during, and after installation.

Signed/Sealed Drawings may be included when expressly stated on proposal.
Permits and permitting services may be included when expressly stated on the proposal. Unless specifically noted, permit fees, third-party reviews, inspections, bonds, and jurisdictional requirements are not included. The owner is responsible for providing **current and accurate site plans, surveys, and required property information** as needed by the permitting authority. **The permit process cannot begin until all required information is received from the owner.** Permitting timelines vary by jurisdiction and are **outside of our control**. Delays related to permitting, reviews, or approvals are not considered manufacturing or installation delays. Additional requirements arising during the permitting process, including but not limited to engineering revisions, soil testing, or jurisdictional comments, shall be treated as a **change in scope**.

Non-governmental customers purchasing on credit must submit a **completed GameTime Credit Application** and receive approval prior to order release. Unless otherwise approved in writing, a **minimum deposit of** 100% ($28,182.03) is required to initiate manufacturing or fabrication. Remaining balances are due per approved credit terms. Credit card payments are accepted only through secure electronic payment methods and are subject to a 2.5% processing fee, shown as a separate line item. Payment by check, ACH, or wire transfer is available without additional fees.

When installation is included as a **turn-key project**, installation charges are due **upon completion and acceptance**. For larger or longer-duration projects, **progress billing may occur**, and GameTime reserves the right to invoice for **materials manufactured, shipped, or received on site**.

Installation Terms: Installation, when included, is performed by an **independent, certified installer** and is based on **standard installation conditions**. Installation assumes suitable soil, normal excavation conditions, proper sub-base, and unrestricted site access.The following are **excluded unless expressly stated**: drainage design or correction; soil remediation or import/export; rock, roots, debris, or concealed conditions; dewatering; erosion control; sod replacement; landscaping; irrigation repair; and site restoration.If unsuitable soil, drainage issues, high water table, or concealed conditions are encountered, **additional costs may apply**. The owner is responsible for site readiness, utility marking, site access, and protection of the work area before, during, and after installation.
